SANTUARI PARK Pantai

As the first quarter of 2024 draws to a close, Malaysia's doors have continued to slowly reopen to welcome in old friends from East Asia. Santuari Park is most pleased to welcome new members from the Peoples' Republic of China into our community. With fresh ideas abounding, we look forward to new concepts and designs being introduced which will continue to elevate Santuari Park as the choice residential enclave in Kuala Lumpur.

We are extra pleased to inform that Certificates of Completion and Compliance have been received for a number of houses. Do keep a lookout for Notices of Vacant Possession being sent via email.

If you're not already aware, Santuari Park can be digitally found on a number of different platforms. You will be already familiar with our website, which remains the most comprehensive source of information. But for little updates and new media, regular postings are made on YouTube, Instagram and Facebook. Look for us at "santuariparkpantai" at your leisure and happy viewing.

With the issuance of CCC and VP, our site team has also moved to a new abode. You can now find us at Plot 38, No. 1 Jalan Gasing Piring. Do drop in to catch up on all that's new and happening.
