

SANTUARI PARK Pantai

Newsletter
June 2024

With Summer on the doorstep, frequent visitors to Santuari Park Pantai will have also noticed the casting of the entry slab into Plot 30, our most active phase comprising neatly arranged strata villas. With the buildings just about to touch completion, expect to see the landscape gang move in to deliver their sure-to-be thought-provoking response to the unique site on which our newest homes rest.

Your Security Team and property manager have shared their latest Standard Operating Procedures. You can view this on your website under the “Community” tab, next to your mutual covenants.

And on the note of mutual covenants, a gentle reminder to all planning renovations of their lovely homes to ensure that plans are properly submitted to the relevant authorities (who actually do carry out spot checks). We look forward to seeing your finished deco, some of which are already happily underway.

Do follow us on YouTube, Instagram and Facebook for little updates and vignettes of all that is wonderful at Santuari Park Pantai.

Our contact number: 018-668 8101 Our Email: santuaripark@gmail.com

Our Operating Hours: 9 - 5 pm Mon - Sat
